WASWUG 2011 Pre-Conference Workshops

Come to WASWUG early!

These sessions offer concentrated learning and professional development on key topics, as well as an opportunity to network and get a jump-start on the conference experience. There are four workshops running concurrently on Sunday, March 6, from 10:00 a.m. to 1:00 p.m.

Pre-Conference Sessions

“T” Time for Fiscal Administrators

In this session, learn how the accounting transpires from the key points of entry and processing. This “journey” includes demonstrations of how these postings would look from a T-account perspective and how they impact monthly and fiscal activity.

Presenters: WSIPC - Sean Schaeffer & Jean Deming

CSI: Washington – Calculation Solution Investigators Solving the Mystery of Unemployment, Worker’s Comp and Retirement Calculations

In this session, review and explore Unemployment, Workers’ Comp and Retirement Calculations as they relate specifically to Washington State requirements.

Presenters: WSIPC Finance Membership Services – Sandy Marshall, Donna Christopher, Janet Dockter & Leslie Strickland

WSIPC Applications Development – Mary Halloran & Maureen Kwant

The Health Module for District Nurses and Support Staff: From Basics to Best Practice and the Future

This session is intended for school nurses and those who support health related data. The information covered will include basic and advanced use of health and vaccination programs, best practices discussion, future improvements such as redesigned IHPs, and plans for a WSIPC hosted health focus group forum.

*Presenters: WSIPC – Steffanie Campbell & Don Denny,
NWRDC – Becky Winchell & School Nurse Corps Nurse Administrator
NWESD – Lorali Gray*

WEDSS: I’ve Deployed – Now What?

In this session, review access to WEDSS data and learn more about how to use the WEDSS tool for decision making. Discuss modeling using WEDSS dashboards and reports, learn best practices and participate in a panel discussion to encourage WEDSS use in your district.

Presenters: WSIPC – Heather Klein & Ken Mock
